Classwork

Sexism

Learning Objectives

What: To explore issues relating to sexism in today's world

How? Through videos and case studies

Why? It is a lottery whether or not we are born male or female, and something that is outside of our control. Therefore, we need to think about why people are treated differently because of something that cannot be helped.

Agree

Sexism

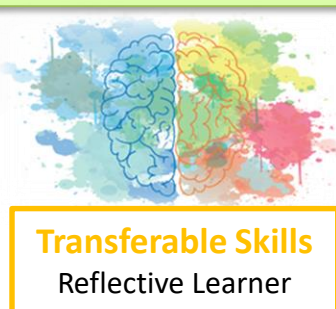

Objective: To explore issues relating to sexism in today's world

Good if you can state the meaning of sexism, giving an example

Great if you can explain examples of sexism in today's world

Even better if you can suggest religious responses to sexism, using sacred texts to support your responses
